

Summer Reading Begins

Children and teens have a chance to win a Nintendo Wii!

Get ready for a summer of mystery at the Clinton-Macomb Public Library beginning June 18! This year's summer reading themes are suspenseful and mysterious. We even have a mystery for you to solve at the Main Library!

"This year we're hoping to increase our participation in the Summer Reading Club," said Library Director Larry Neal. "Ideally, we'd like every family member, children, teens and parents to get involved in the fun at the library."

CMPL has planned numerous activities to encourage participation in this year's summer reading events. Aside from programs, the library has also planned even greater grand prizes for summer reading participants. Children and teens both have the opportunity to win their very own Nintendo Wii® just for reading 15 hours or more this summer! Teens can also read for a chance to win weekly prizes including bowling and laser tag passes, movie vouchers and other great gift cards. Adults will be reading for the opportunity to win a bi-weekly prize of a reading journal and a grand prize of a CD Walkman®.

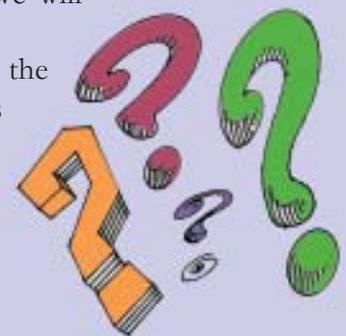

Joining the Summer Reading Club is easy. Beginning on June 18 just visit any CMPL location and pick up a reading chart for children, teens or adults. Spend time reading this summer: 15 hours for children and teens or three books for adults, and turn in your form at the end of summer reading. By mid-August, you could be a big winner!

Who Done It @ CMPL?

You don't have to read a mystery to get involved in the summer reading program. You can participate by simply visiting the library once a week. Beginning **Monday, June 18** you can pick up your Detective's Notebook from any desk at the **Main Library**. Inside the notebook will be a list of eight suspects, eight weapons and eight rooms in the Main Library. Each week we will place three cards: one suspect card, one weapon card and one room card, around the Main Library. When you see these cards simply mark that suspect, weapon and room off your list. By the end of eight weeks, if you've visited the library once a week, you will know who done it, with what and in which room at the Main Library.

Submit your guess and you could be the winner of a great prize! Don't worry if you can't visit the library once a week. Just visit our web site and look for clues to help you unlock the clue box to find out what you missed. So, brush up on your Clue® skills and play a game of Who Done It at the Main Library. **Clues will start to appear the week of June 18 and this contest is open to children, teens and adults.**

From the Director

The Clinton-Macomb Public Library was one of just 80 libraries nationwide recently selected for inclusion in the book, *Heart of the Community: The Libraries We Love* (available in the Library Store and on Amazon.com). The book depicts interesting and beautiful libraries from across the country arranged in ZIP Code order. It was wonderful to receive this recognition on a national basis from a panel of distinguished editors. Perhaps more satisfying is to have the recognition from our own taxpayers who fund the construction and ongoing operation of such a wonderful system. People say, “The Clinton-Macomb Public Library is one of the first places I take my out-of-town guests while they are visiting,” and our library gets compared to others around the state and even around the country. I recently heard from a Seattle visitor about how wonderful he thought our library was.

A great library certainly starts with a great facility, but great service sustains it. The numbers certainly indicate that our library is well used. Our circulation exceeded 1.5 million transactions last year, our collections topped 300,000 items and program attendance jumped 18% to nearly 24,000. On a regular basis I receive a handful of comment cards, but these paint a small picture of the overall use of the library. To ensure that the library continues to remain central to the community, we have embarked on a planning process that will help guide the library into the future. We will be surveying the community to investigate how well we are meeting your expectations for excellent library service and materials. Whether it’s a few quick questions as you leave the library or a more formal survey, your input will provide valuable information for us to do the best job possible.

As this is our summer newsletter, I hope you will keep the library in mind as another “must visit” summer attraction. It’s the place to go whether you are looking for a good book to take to the beach, a handful of movies to entertain the kids for a long car ride or a place to cool down when the heat gets high. It’s also the time for our Summer Reading Clubs. Earn great prizes, keep those reading levels up over the summer, exercise your brain or just escape from the day’s worries by taking an excellent journey of imagination through a good book. We look forward to seeing you at the library often and soon!

We Help You Recycle!

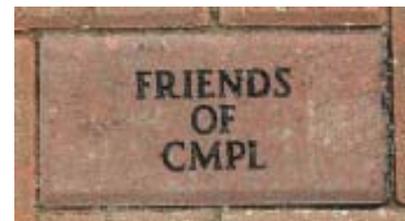

Did you know that the library can help you recycle your papers? Our Main Library recently joined the Abitibi Paper Retriever Program, which allows you to recycle your papers at the library. The Paper Retriever bin is located at the north end of the Main Library's parking lot. You can bring

your old newspapers, magazine, catalogs, school papers and mail to the library and drop it off in the bin any time. Please *do not* put metal, glass, plastic or trash into the recycling bin. For more information about the program please contact Susan at 226-5016.

Brick Pavers

Have you purchased a brick paver yet? This is the fourth year that CMPL is selling brick pavers for the patio at the Main Library. You can choose up to three lines of personalization. The bricks are laid into the patio over the summer and there is a dedication ceremony where you will receive a photo of your brick in a commemorative card. **Bricks are \$65 and the final date for purchase this year is June 1.** Pick up a form at any CMPL location or online at www.cmpl.org. Don't miss out on your opportunity to personalize a piece of the Main Library!

Calling All Gardeners

Outdoor gardening is a priority in the spring, summer and fall and we have many plants and flowers at the library to keep us busy. Carole, our Garden Coordinator, can always use help with weeding and cleaning up our landscaping. If you are interested in outdoor gardening at the library call Carole at 226-5003.

Personalized. Recommended. 10 Titles in 10 Days.

CMPL is happy to provide our community of readers of all ages with a new and exciting service: personalized reading recommendations. Visit our Good Reads page at <http://www.cmpl.org/GoodReads/Default.asp> and fill out the reader profile. Fill in as much of the reader profile as you can. The more information you provide, the more likely it is that we can suggest books you will like.

Professional librarians at the library will use your answers to create a customized reading list for you. We will send you a list of 10 titles within 10 days. Information will be kept in strict confidence between you and the library staff. Results can be sent via e-mail or regular mail.

We all know the dilemma of finishing a great book and not knowing what to read next. Tens of thousands of books are published every year. Let us help you discover the new books you will treasure.

Video Games Come to CMPL

You asked for it – you got it! Thanks to a generous gift of \$1,000 from the Friends of the Clinton-Macomb Public Library, we are proud to unveil a new collection: Video Games. As of May 1, CMPL will be circulating over 30 video games. We will carry titles for three platforms: Nintendo Wii (*Madden 07* and *Zelda Twilight Princess*); Xbox 360 (*Viva Piñata* and *Need for Speed Most Wanted*); and PlayStation2 (*Sims2* and *Lego Star Wars*).

We have received requests to add video games to our collection for years. We strive to meet the demands of our customers and realize that video games are an important leisure time activity for teens. Teens view playing a video game as the alternative to watching a movie or their favorite television show. When they come to the library to check out a video game, they can also be introduced to the many things we offer teens: excellent literature, study aides, and computers for composing reports and papers.

The video games will be located at the **North Branch** and the **Main Library**. They will circulate for a week at a time and will not be holdable or renewable so everyone gets a chance to find them on the shelves. If all goes well, then we will expand the collection.

It's about the Library

The mission of the Library Gift Store is to enhance the goals of the library. These goals are to provide books and other materials to inform, entertain and provide for the intellectual development and enrichment of the people of the community. The Store also serves to promote public awareness of the library facilities and services.

Come in and look at the colorful and exciting merchandise. Ernie Harwell, an avid fan of Michigan public libraries, donates a portion of the price of his *Audio Scrapbook* to CMPL. This audio book, recalling baseball's history through the memories and voice of Mr. Harwell, is a four-hour delight. In the store you'll also find the contributions of other Michigan artists and artisans, as well as unique gifts from throughout the world.

If your study project has to get done, check in to the store and check out the selection of pens, pencils, highlighters, notebooks, flash drives, diskettes and more. Remember, proceeds from store merchandise sales go directly back to the library!

The Library Store is open from 10 a.m. - 8 p.m. on Monday and Tuesday and 10 a.m. - 5 p.m. on Wednesday through Saturday.

Adult Programs

Bob-Lo: An Island in Troubled Waters

For years Detroiters and Canadians traveled to a small island off Grosse Ile to enjoy summer fun and amusement. But to some, the island, originally called Bois Blanc Island, was home. Author Annessa Carlisle delves into the story of Bob-Lo island in her book *Bob-Lo: An Island in Troubled Waters*. Carlisle will visit the **Main Library** on **Thursday, May 10** at **7 p.m.** to share the history of Bob-Lo Island and the story of Dorothy Tresness, the longest-residing private citizen of the island. Her story is as turbulent as the island itself. Carlisle will discuss how Bob-Lo Island has been a picnic ground, an amusement park and a home to million-dollar mansions. Copies of her book will be for sale and she will autograph them following the program. **Registration is required and begins April 26.** Call (586) 226-5050 or visit the Events page at www.cmpl.org to register.

The Climate Project

Global warming is a very serious issue that is effecting the world. Kathryn Savoie is a local speaker trained by former Vice President Al Gore on this topic. With the summer season, and many O-Zone action days coming, it is important to learn about the effect we have on the environment. On **Wednesday, May 16** at **6:30 p.m.** the **Main Library** will sponsor a program on the importance of the environment and what you can do to help curb the effects of global warming. **Registration is required and begins May 2.** Call 226-5040 or visit the Events page at www.cmpl.org to register.

Kathryn is an ecologist and was one of the first 50 individuals trained to present a version of Al Gore's presentation on global warming.

The Muskegon River with Author Jeff Alexander

The Muskegon River has emerged as one of the most ecologically important, and imperiled, streams in the Great Lakes basin. The 220-mile-long river is the most productive salmon stream in the Midwest and has a diversity of ecological and biological features unmatched by any other river in Michigan. However, the Muskegon is threatened by poorly planned urban development that could negate many of the environmental improvements that have been achieved. Veteran environmental reporter Jeff Alexander examines the creation, uses of, devastation, and restoration of Michigan's historic and beautiful Muskegon River in his book *The Muskegon: The Majesty and Tragedy of Michigan's Rarest River*.

Alexander will be at the **Main Library** on **Monday, May 21** at **6:30 p.m.** to discuss his book as part of the Michigan Notable Authors series and Michigan Week. **Registration for this program begins Monday, May 7.** Call 226-5040 or visit the Events page at www.cmpl.org to register.

My Father's Compass

From 1892 to 1934 countless Italian immigrants passed through Ellis Island to come to America and start a new life. Author Perry J. Martini takes you on a personal journey of immigration in his latest book *My Father's Compass*. The story features the tale of Martini's father as an immigrant and his passion for his heritage and a love for America. It also touches on Italian immigration to the Michigan and Ohio area. Perry Martini will be at the **Main Library** on **Wednesday, May 23** at **6:30 p.m.** as part of Michigan Week. Copies of his book will be available for purchase and autograph following his presentation. **Registration is required and begins Wednesday, May 9.** Call 226-5040 or visit the Events page at www.cmpl.org.

Adult Summer Reading

Join the fun at CMPL this summer by getting involved in the Adult Summer Reading Club! Starting June 18, pick up an entry form at any CMPL location. The rules are simple: read or listen to any three books between **June 18** and **August 6**, then fill out an entry form with the titles and authors you read. Once your form is completed, turn it in at any reference desk and you could win a fabulous prize! This year we will conduct a bi-weekly prize drawing at all three locations and a grand prize drawing at the end of summer reading. The grand prize this year is a CD Walkman® player. **Pick up a form June 18 for your chance to win!**

Get In the Queue this Summer!

Beginning June 1, Clinton and Macomb Township residents can get **In the Queue** so holds are automatically placed on the newest hardcover bestsellers by your favorite authors. As we enter records into the catalog, we will create holds for In the Queue members, which will be randomly sorted each time to ensure fairness of placement. Your membership In the Queue will be effective with those new books entered into the catalog *after* we receive your request. Holds cannot be placed on items already in the catalog via In the Queue. (A librarian will be happy to help you place those holds). **Bring in this page or visit www.cmpl.org/GoodReads/Default.asp to *Get in the Queue*.**
